China's One Child Policy: Family Planning Slogans

Reggie Littlejohn, President
Women's Rights Without Frontiers
September 22, 2011

House Committee on Foreign Affairs,
Subcommittee on Africa, Global Health, and Human Rights

Following each slogan is the date on which that slogan was uploaded to the Internet source on which it was found. It is not possible to determine where each slogan is located, as the vast majority of these slogans were uploaded to the Internet without this information. Furthermore, China is undergoing a campaign to soften its slogans -- though not the brutality of its enforcement, which is communicated by these slogans.

“We would rather shed rivers of blood than have one extra child!”
